Winter Camp

We are offering our annual winter camp from December 27th, 28th, 29th, January 2nd-5th. Registration will begin on Monday November 20th. We need a minimum of twelve children per day to run. We have some exciting events and activities planned for the kids! We have our winter camp daily activities and registration forms on our website and in Portable A.

September 2018 Registration

Just a reminder that our registration for the school year 2018–2019 starts in January. Please pick up new registration forms in Portable A.

REMINDER: Completed form (including immunizations, picture etc.), a cheque for registration fee (\$35 per family) and postdated cheque for September fees are due by **Tuesday January 31st**! **If your application is not complete by January 31st, your spot will not be held and it will go to another child.**

Here is a reminder of our registration policy:

Continuing Registration: Any child that is currently registered at CVOSC for morning, afternoon, or both morning and afternoon, who requires the same hours of care in the following year, is assured a space for the same hours of care the following year. Registration forms will be made available to registered families in January each year, and must be submitted no later than January 31st each year to ensure continuing registration status is upheld. A \$35 registration fee and a post-dated cheque in the amount of the September fee for the hours of care requested on the registration form (in accordance with the current fee schedule) must be submitted with the registration form. The September cheque(s) is non-refundable if a family decides to forfeit their registered space(s) after June 29th.

Change in Registration: Any child that is currently registered at CVOSC for morning, afternoon, or both morning and afternoon, and who requires different hours of care in the following year will need to fill in a change in registration form. Although additional or different hours of care cannot be guaranteed, these requests will be accepted on a first come first serve basis starting on the first day of school in January after Winter Break and will be given priority consideration for available space over new siblings and non-registered families (see details below). If parents decide to drop either morning or afternoon care (or both), they will be asked to sign a withdrawal form indicating that they understand that they will no longer have continuing registration assured status for the dropped hours of care. Registration forms will be made available to registered families in January each year, and must be submitted no later than January 31st each year. A \$35 registration fee and a post-dated cheque in the amount of the September fee for the hours of care requested on the registration form (in accordance with the current fee schedule) must be submitted with the registration form. The September cheque(s) is non-refundable if a family decides to forfeit their registered space(s) after June 29th. Change in registration may also be requested during the year, and will be accommodated where possible.

Addition of New Sibling: Although non-registered siblings are not automatically assured a space at CVOSC, parents with at least one registered child at CVOSC for morning, afternoon, or both morning and afternoon care, may submit a registration form for a non-registered sibling(s) in January in the year immediately preceding the year that the sibling(s) will be requiring care. Registration forms will be made available to registered families and acceptance of these completed forms will begin on the first day of school in January after Winter Break and must be in by January 31st of the same year in order for priority consideration over non-registered families. Completed forms will be accepted on a first come first serve basis. A \$35 registration fee (per family) and a post-dated cheque in the amount of the September fee for the hours of care requested on the registration form (in accordance with the current fee schedule) must be submitted with the registration form.

The September cheque(s) is non-refundable if a family decides to forfeit their registered space(s) after June 29th.
