Ah February.....one month closer to spring! This month you will be busy decorating our room for Valentine's Day by constructing your own mail boxes, play cupid's arrow and get your hands dirty with some fizzy hearts. Check your envelopes for a list of class names to help with your valentines. Next we are going to dive in to the Winter Olympics! Get ready to race in a bobsled, try your hand at cross country skiing, play a round of curling and build your own luge! Then we will finish the month by creating a three day art activity on alley cats. It's going to be a fun month!

Ah love is in the air now that February has arrived! We are going to spend the first half of the month celebrating the Valentine's day. You will get to play games such as cupid's bingo, kiss the frog and even get an opportunity to win a cake in our cake walk!! Some of the crafts will include making big shiny hearts, cootie catchers, adorable butterflies and homemade valentines. We will be having a card exchange on Feb 14th and I have a class list to make filling out your valentines a little easier. The next celebration we will be focusing on is Chinese New Year. We will be very busy for a whole week with all sorts of activities around the year of the dog. Next we are going to focus on the winter Olympics taking place this month. Let's show our team support for Canada as they go for gold!
