Junior News Portable A

Happy New Year everyone! We are excited to see what 2018 will bring. To help us get routine again, we have lots of fun and new activities planned. We will decorate our bulletin boards with winter themed crafts, play a giant game of I spy, get our hands dirty with glow in the dark mud and hot cocoa dough and much more! Please remember to dress for the weather by bringing gloves, a warm hat and proper jackets every day. The primary playground continues to flood this year when we get rain, so we suggest wearing boots every day and possibly start bringing indoor shoes for the winter.

Intermediate News Portable D

Welcome back everyone and welcome to a brand new year! We are going to kick start 2018 off with an amazing month packed full of incredible activities. Portable d's walls will be decorated with beautiful peacocks, 3D people and space portholes. We will also be making some awesome take home crafts such as penny spinners, ninjas, wacky sacks and Venus flytraps. You can also get super excited about our Lego and food challenges as well as making homemade gooey gum drops. So much fun to be had this month so let's get started!

Senior News Gym

Welcome to 2018! I'm excited to start the New Year off with setting some inspiring goals for us focus on for the year and getting right into some very fun activities such as making our very own geodes and Lego inspired portraits. Get ready for closer to the end of the month where we will get our drama skills exercised with an epic lip sync battle! We are still getting some pretty chilly weather for the winter so keep up the good work with remembering our coats and toques.
