

## March Newsletter

# Campus View Out of School Club

Telephone: 250-472-0881

Email: [cvosc@telus.net](mailto:cvosc@telus.net)

Website: [www.campusviewchildcare.com](http://www.campusviewchildcare.com)

### **Open to Public Registration**

Our open to public registration will begin on Monday, March 1<sup>st</sup> at 7:30 AM. We are asking that all children and their parents who attend Portable A's AM program on this day to only use the back door and not the ramp. This will make registration for our new families easier as well as for staff.

### **Spring Break Camp March 19<sup>th</sup>- April 3<sup>rd</sup>**

Looking for something fun to do on your Spring Break? We have some great activities planned you won't want to miss out on. If you know any family members or friends needing care during Spring Break, our camps are open to anyone!

### **Canadian Tire Money**

It's that time of year again when we are constantly buying new outdoor equipment for the kids! If you have any Canadian Tire money kicking around your wallet or at home, please bring it in to help us keep our equipment bins stocked.

### **Junior News Portable A**

Spring is almost here Juniors! We are so excited for the new season and new crafts and activities. We have a week long theme of dinosaurs. You will be designing and creating your own dinoramas, dinosaur eggs and watch volcanoes erupt. Next up you will make bunny puppets, spend an afternoon with our spring themed mystery boxes and playing a new game pom pom drop.

### **Intermediate News Portable D**

Time for another full month of amazing activities to keep you all entertained! We will be busy constructing futuristic robots and space shuttles as well as making enchanted fairy houses. You will also get the opportunity to make very noisy elephants and get creative with doodle paint! We have a few exciting games to play this month including balloon guess, crumple and shoot, musical parcel and the famous twister! We have even decided to throw in a few experiments this month, you will be making some scientific guesses with apples as well as ice. Finally on the 16th we will be celebrating Saint Patrick's day so don't forget to wear your green!

### **Senior News Gym**

This month while the school is working their theater production, we will be working on one of our own bringing you a multi-feature puppet show! So get those creative minds working on what you would like your show to be about because you will each be the director of your puppets. Due to the school play we will be in the Library for upwards of week, so keep an eye out for signs on what the exact days will be. Keep March showers in mind and remember to keep bringing those waterproof layers; we will be getting outside every chance we can.
