Junior News (Portable A)

Get ready Juniors for a fun month full of exciting activities! We have new group games to play as well as chances to get our hands messy with slime, playdough and more. We have a new set of mystery boxes this month, become scientists for a day as well as making poppies, hedgehogs and hibernating bears. We will have a special treat at the end of the month as we will transform our room into the CVOSC grocery store! Please send a coat every day with your child as well as appropriate footwear and a warm hat. Victoria weather can be unpredictable and we do need to go outside and play every day. Please feel free to leave extra clothes in your child's cubby.

Intermediate News (2:41 Portable D)

November has arrived and between making paint creatures, surprise soaps, shrinky doos, and playing with magic muck it's going to get a little messy! With the weather getting a little cooler we will also be focusing on some bigger art projects such as making ceramic coasters, homemade felt pets, puzzle picture frames and finally posters all about you to decorate the portable walls with. There are some important dates to mark on your calendars this month, first up is on the 15th for our first pajama day of the year! You are welcome to bring in your comfy pjs, slippers, robe, blanket, pillow and small stuffy for a day of slumber party fun! Also on the 30th we are having My Collection day. On this special day only you are allowed to bring in your collection to present it in front of the group. Your collection must be multiple items of the same thing....for example rocks, erasers, stamps, soaps etc. We really look forward to seeing what interests you so much and learning all about them. Should be a fantastic month!

Senior News (2:41 Gym)

This month is full of fun activities that are sure to keep us busy! We will start the month off with a classic favorite, Equipment Day, and put on our dancing shoes in the next week when we play Freeze Dance. We will have the opportunity to experiment when we make Elephant Toothpaste and attend a magic potion's class during our much anticipated Harry Potter Day! To finish the month, we will create our own products and act out a commercial to advertise them to the group. Don't forget to bring your raincoats and rain gear as we will try to get outside for a play every day, rain or shine!
