Welcome Back!

We hope everyone enjoyed a safe and happy summer! It's great to be back again, and we are all excited about the year ahead. We extend a warm welcome to families that are new to our program and look forward to a great year together. Please watch for our monthly newsletters for information about what is happening at Club. Don't forget to check your child's envelope in their program for important information as well as your month at a glance calendar. Club will be open for the 2018-2019 school year on Tuesday September 4th. We will be back to our normal hours of 7:30-6:00. We will be providing extra care on the 4th due to the school early dismissal at 11:00. If you need the extra care there will be an extra fee of \$13 per child. **If you do not need the extra care on Tuesday the 4th, please call us (no emails) to let us know your child will not be attending!**

Fees and Payment Reminders

Regular program fees are due by the first day of each month, and parents are encouraged to leave postdated cheques with the program. Please place payments in our mailbox in portable A; envelopes are provided by the mailbox for use. Please do not hand it to staff other than to Lori or Tracy! We don't want payments to go missing! **There is a penalty of \$5.00 per day for payments not in by the first of the month.**

Registration Forms

Please see a leader within your child's program to confirm contact information. It is very important that we have updated contact numbers, email and mailing addresses. As well as other people permitted to pick up your child from our facility. We email monthly our newsletter as well as our All Parents Meeting Agendas; there will be a few paper copies available in Portable A. If you are not receiving them or wish to not have them sent electronically, please see Lori in Portable A.

PRO-D DDAY Registration Forms

Attached to this newsletter you will find a registration form that allows you to register your child for our pro-d day programs for the school year. Registration forms must be completed and handed in with postdated cheques otherwise your child will not be registered for the pro-d days. We register on a first come first serve basis and will fill up fast. We will only be running two programs per day. If at any point during the year you need to withdraw your child from a registered pro-d day, you must fill out a Change in Registration/Withdrawal Form and give one month's notice for reimbursement of fees. Registration begins on Tuesday September 4th. We have increased our Pro D Day fees this year to \$40.00 per day for registered families and \$45.00 per day for non-registered children. We run camps from 7:30 AM—5:30 PM.

Junior News Portable A

Welcome back Juniors and welcome new friends. We will be focusing on getting back to routine this month with new games, crafts and outdoor activities. Please keep a change of clothes, hat and sunscreen in your child's cubby. We do go outside every day rain or shine so please make sure your child is dressed for the weather. Also please make sure to check your child's envelope each month for important information.

Intermediate News Portable D

Welcome to another school year. Hope you are ready for a year full of creativity and laughter as we jump right into a whole month packed full of activities to keep your young minds busy. We will be playing some team building games to get to know each other as well as constructing some crafts to decorate our portable walls. A favorite activity in the intermediate program is making homemade applesauce so I hope you are excited to get messy in the kitchen this month. The weather is still quite warm during the month of September so we are asking if you could please send sunscreen, a hat and a water bottle every day to club, we go outside every day! Looking forward to hearing all about your summers and settling into another fabulous school year with you all!

Senior News Gym

Welcome back everyone! Us leaders are so excited for the school year ahead and can't wait to have fun everyday with each one of you. We have an exciting first month planned with a week full of games, space themed activities and a science week! As fall approaches please remember to be prepared for all types of weather. You can keep sunscreen, a hat and a rain jacket on your hook so you are always ready for what the weather brings. We have our first pro-d day on September 17th. Can't wait to see how much you all have grown and hear about your amazing summer adventures!
